You just need to show your email confirmation at the gate to get in.
Your email confirmation should have an order number and the day/time of your show listed on it. (burgundy bar across the top)
Tickets are not needed.

LARGER SUV'S, TRUCKS AND VANS

Larger vehicles will be parked in the back rows.

VIP SPOTS

If you have a VIP ticket or received one as a sponsor that means you get the chance to be in the front row **BUT YOU MUST ARRIVE ONE HOUR BEFORE THE SHOW TO BE PARKED IN THE FRONT ROW.** Please do not come in a truck, van or large SUV if you want to be parked in the front row.

GENERAL ADMISSION

General admission spots are asked to come 30-45 minutes before the show to get parked. VIP will be parked first, then smaller vehicles, then larger vehicles.
PLEASE NOTE: It is very important that you come early to allow time for parking. If you come less than a half hour before the show starts you run the risk of not getting a spot or getting parked behind a large vehicle.

YOU MUST STAY INSIDE YOUR VEHICLE UNLESS YOU NEED TO GO TO THE WASHROOM OR IF THERE IS AN EMERGENCY

If you use the public washrooms in the park you must wear a mask.
Please refrain from socializing or congregating when returning to your vehicle in order to adhere to physical distancing guidelines.

WAIVERS

Upon arrival each vehicle will be given a waiver at the gate. All people in the vehicle must be listed on this form and the driver must list their cell number, as well. Please bring a pen with you. Waivers will be collected before the start of the show from each vehicle.

APPROACHING THE GATE

Please approach the gate in front of the Granite Club from William St. (not Colborne St). If you come from Colborne St. you will be asked to move to William St. before getting in.

SOUND TRANSMISSION for the show will be done through an FM radio frequency (courtesy of Blackburn Radio). Instructions will be given at the show on how to tune in. The radio frequency will be 105.3

EVENT STAFF will be wearing LED safety vests and directing you to your parking spot with LED wands.

PLEASE MAKE SURE ALL RESERVED SPOTS WITH ORDER NUMBERS ARE USED. VIP'S MUST ARRIVE ONE HOUR BEFORE THE SHOW STARTS TO GET FRONT ROW

Projections on the building start ONE HOUR BEFORE THE SHOW so please arrive early to allow time to get parked
